This letter of invitation acknowledges that the students named above are eligible to enroll in the undergraduate courses in the **College of Engineering** and **College of Chemistry** at the University of California, Berkeley through the Concurrent Enrollment Program of UC Berkeley Extension for the **Fall 2025 academic semester**.

Our department agrees to allow the students to enroll in a full course load. We understand that international students are required to take at least 12 units per semester in order to maintain their international student status in the U.S. Our department commits to work with the students to ensure that they are able to enroll in a full-time course load.

As an international student, the students named above must adhere to and be held responsible for any Department of Homeland Security regulations pertaining to a full-time student. It is the student's responsibility to obtain the approval of the instructors, to meet all of the deadlines and departmental requirements, to apply for classes, to monitor application status, and follow-up with application reviewers at all levels to assure enrollment.

We look forward to assisting you and the students in preparing for their program and greeting them when they arrive. If there are any questions regarding this invitation, please contact us at globe@berkeley.edu.

Sincerely,

A handwritten signature in dark ink, appearing to be 'Alan', is written on a light-colored background.
